GRI content index CSR report Plukon Food Group 2022

Statement of use	Plukon Food Group has reported the information cited in this GRI content index for the period 1 January -	
	31 December 2022 with reference to the GRI Standards.	
GRI 1 used	GRI 1: Foundation 2021	
Applicable GRI Sector Standard	GRI 13: Agriculture, Aquaculture and Fishing Sectors 2022	

GRI STANDARD	DISCLOSURE	LOCATION
GRI 2: General Disclosures 2021	2-1 Organizational details	- See section Organisation p. 8
	2-2 Entities included in the organization's	- See section About this report p. 62
	sustainability reporting	
	2-3 Reporting period, frequency and contact point	- See section Driven by fresh thoughts p. 2
		- See section About this report p. 62
	2-4 Restatements of information	Not applicable
	2-6 Activities, value chain and other business	- See section Supply chain poultry p. 14
	relationships	- See section Supply chain vegetables p. 15
		- See section Mission, vision and core values p. 6
		- See section Acquisitions 2020-2022 p. 10
	2-7 Employees	- See section Employees p. 9
		- See section our people p. 57
	2-8 Workers who are not employees	- See section Employees p. 9
		- See section our people p. 57
	2-9 Governance structure and composition	- See section Governance and changes in the Executive board p. 8
		- See section Governance of sustainability p. 21
	2-11 Chair of the highest governance body	- See section Governance and changes in the Executive Board p. 8
	2-12 Role of the highest governance body in	- See section Governance of sustainability p. 21
	overseeing the management of impacts	
	2-13 Delegation of responsibility for managing	- See section Governance of sustainability p. 21
	impacts	
	2-14 Role of the highest governance body in	- See section Renewed materiality analysis p. 21
	sustainability reporting	- See section Appendix 1 Materiality Analysis 2022 p. 63
	2-16 Communication of critical concerns	- See section Whistleblowing policy p. 23

2-23 Policy commitments 2-24 Embedding policy commitments 3-245 Processes to remediate negative impacts 2-26 Mechanisms for seeking advice and raising concerns 2-27 Compliance with laws and regulations 2-27 Compliance with laws and regulations 3-1 Process to determine material topics 3-1 Process to determine material topics 3-2 List of material topics 3-2 List of material topics 3-3 Management of material topics 4 See section Renewed materiality analysis p. 21 - See section Appendix 1 Materiality Analysis 2022 p. 63 3-3 Management of material topics 5 See below 4 See section Appendix 1 Materiality Analysis 2022 p. 63 3-3 Management of material topics 5 See section Renewed materiality analysis p. 21 - See section Appendix 1 Materiality Analysis 2022 p. 63 3-3 Management of material topics 5 See below 5 See below 5 See section Animal health & welfare 13.11.1 Management approach - See section Animal health & welfare p. 41 - See section Lower impact during loading and transport p. 41 - See section Use of early feeding p. 41 - See section Use of early feeding (table) p. 41 - See section Material topics and goals Animal health and welfare at the slaughterhouses. 6 See section Material topics and goals Animal welfare at the slaughterhouses.		2-22 Statement on sustainable development	- See section Driven by fresh thoughts p. 4 - See section Our way forward p. 59

linearing and the control of the con			
Responsible use of veterinary Topic 13.11 Animal health and welfare			

antibiotics	13.11.1 Management approach	- See section Animal health & welfare p. 41 - See section Responsible use of veterinary antibiotics p. 42
	Own indicator: % of antibiotic-free broilers in each concept of the total volume.	 See section Responsible use of veterinary antibiotics (table) p 42 See section Material topics and goals Animal health and welfare p. 44
Emissions of GHG in the value Topic 305 Emissions 2016 (to be decided)		
chain	3 -3 Management approach	- See section direct and indirect emissions of greenhouse gases p. 46 - See section Emissions in the value chain p. 49
	To be decided upon	- See section Material topics and goals Circularity and climate p. 51
Direct & indirect GHG emissions	3 - 3 Management approach	- See section direct and indirect emissions of greenhouse gases p. 46 & 47
	Temporary own indicator: % change in energy and gas consumption per tonne of live weight (compared to current baseline 2015).	- See section Material topics and goals Circularity and climate p. 51
Using responsibly-produced raw Topic 13.23 Supply chain traceability		
materials	13.23.1 Management approach	- See section Using responsibly produced raw materials p. 27
	13.23.3 Sourced volume certified to internationally	- See section Using responsibly produced raw
	recognized standards	materials (incl. table 2022 numbers) p. 27 - See section Material topics and goals Healthy and responsibly produced products p. 29
Contribute to a healthy diet and	Own topic	
food security	3 - 3 Management approach	- See Contribute to a healthy diet and food security p. 26
	Own indicator: to be decided	- See section Material topics and goals Healthy and responsibly produced products p. 29
Food safety	Topic 13.10 Food safety	
	13.10.1 Management approach	- See section Food safety p. 31

	13.10.2 Assessment of the health and safety impacts of product and service categories	 See section Food safety & Quality standards p31 See section Research by in-house laboratory p. 32 See section Listeria p. 32 See section Material topics and goals Food safety and transparency p. 35 	
Employement practices	Topic 13.19 Occupational health and safety		
including occupational health and safety	13.19.1 Management approach	- See section Employment practices, occupational health and safety p. 53 - See section Health and safety of employees p. 54	
	13.19.6 Worker training on occupational health and safety	- See section Developing new skills p. 55	
	13.19.10 Work-related injuries	- See section Material topics and goals People and society p. 58 - No data yet available	
Training & career development	Topic 404 Training and education		
	3- 3 Management approach	- See section Training and career development p. 55	
	Own indicator: % new hires and % employees who get a promotion to the next salary level per year.	 See section Training and carreer development (table New hires and % employees who get a promotion) p. 55 See section Material topics and goals People and society p. 58 	
	404-2 Programs for upgrading employee skills and transition assistance programs	- See section The Plukon Traineeship p. 55 - See section Overview of e-learnings in the Plukon portal p. 55	
	404-3 Employees receiving regular performance and career development reviews	- See section The Plukon Traineeship p. 55	
Supply chain traceability	Topic 13.23 Supply chain traceability		
	13.23.1 Management approach	- See section Supply chain traceability p. 34	
	Own indicator: % of poultry farmers registered onto Plukonnect	- See section Material topics and goals Food safety and transparency p. 35
